G,Em / F,C,G / G,Em / F,C,G / G,Em

G,Em

Well I was walking down the road
Just thinking to myself (to myself)
(repeat)

F,C,G

I was reflecting upon my life,
tryin' to figure out how to say goodbye
(repeat)

G,Em

Goodbye to the bad things, goodbye to greed
Goodbye to my pride, goodbye old me
Goodbye to my ego, goodbye to the things

I don't need no more, I don't need no more
I don't need no more, I don't need no more
(repeat)

Goodbye to the bad things, goodbye to greed
Goodbye to my pride, goodbye old me
Goodbye to my ego, goodbye to the things

I don't need no more, I don't need no more
I don't need no more, I don't need no more
(repeat)
